And don't worry...

this is still agile

enough.

The background of the slide is a photograph of a modern office interior, overlaid with a semi-transparent dark red filter. On the left, a large circular neon sign with a plus sign inside is visible. In the center, there is a doorway leading to another room where some office equipment is visible. On the right, there is a closed door. In the foreground, a desk with a laptop and other items is partially visible.

Thank you!
