A black drone with red lights is flying in the center of a long, narrow warehouse aisle. The aisle is lined with tall metal shelving units filled with cardboard boxes. On the right side, red signs with white numbers (12, 14, 16, 18, 20, 24, 28, 30, 32, 36, 40) are attached to the shelving units, indicating different storage racks. The ceiling is high with industrial lighting and pipes. A green exit sign is visible on the left side of the aisle.

Simple and safe inventory management
